A fundraising scramble of the
Southern Midcoast Maine Chamber

2019 HACKER'S BALL DONATION REQUEST

Tournament Details: The annual chamber golf tournament, is one of the first of the year in the state and is designed for very friendly and relaxed competition. Enjoy 18 holes of golf in this scramble format, with numerous side games, a tournament raffle & more. Teams are divided into divisions based on team handicap: Golfer's Division & Hacker's Division. The air cannon and gold ball 50/50 are signature challenges at this event. If you know someone who wants to play it is \$85 per player or \$340 for a foursome

Dear Golf Fan (we hope) or Chamber Supporter (we hope):

The Southern Midcoast Maine Chamber's golf tournament is coming up **Thursday, May 23, 2019**. It's a fun tournament (almost to the point of silly) and to keep it that way we like to keep the price to play low and get lots of prizes for different side games.

We are asking to see if you would be willing to give a donation of any kind. Gift certificate? Sure. Have a cool new item? We'll take it! Do you have tickets for a special event? We love a good party!

We are looking for prizes that have a \$25 value or more, though if it's under that we do bundle prizes into baskets so it could be anything really.

We have several types of prizes, and your donation could fit into any of these categories:

- (4) Closest to the pin prizes: Four Winners; Four Holes for the golfer who knocks it closest to the hole on the Par 3s
- (1) Putting Contest prize: One winner- also comes with hole sponsor sign for that game and promotion
- (1) Chipping Contest prize: One winner- also comes with hole sponsor sign for that game and promotion
- (2) Longest Drive Prizes: These go to the longest drive winners for men's and women

(++) Numerous other prizes including: hole sponsor game prizes, player prizes for winning teams, last place team trophy/gag gifts, an even a raffle depending on what we get for prizes.

The Serious Section:

In all seriousness, it's one of the only annual chamber fundraisers and though we are not a 501(c)3, you can write these donations off as a business marketing expense. And if you give a gift certificate you will get customers in your door! **Please let us know by Tuesday, May 21**. Thanks!
