August 30, 2023

Dear Valued Customer,

The 2023/2024 Winter Season is, unfortunately, approaching and the crew at Norwalk Cove Marina, Inc. are preparing for an efficient hauling season!

We are very appreciative of all our returning customers, as well as our new ones - We could not be the marina we are without all of you! We hope you are enjoying a great summer on the water and gearing up for the last few months of the boating season. With that said the Service Department is preparing for the winter storage season just around the corner.

Please take note of the below items as a few have changed:

- 1) Please fill out the attached contract, decommissioning paperwork and credit card form, in full and send back with payment. A winter storage contract does not initiate any winterizing services, if decommissioning is requested, all forms MUST be filled out, in full.
- 2) ALL vessels must be available to be driven into the travel lift – if towing is a must there will be a \$75.00 towing fee. Towing is time consuming, many times very difficult due to winds and slows down the flow of haul outs.
- 3) Norwalk Cove Marina, Inc. can only honor so many haul outs per week – if paperwork is not submitted at least four weeks in advance Norwalk Cove Marina, Inc. cannot guarantee a haul out for the requested week (Applies to boats arriving at the marina, as well as slip customers).
- 4) When arriving for your designated haul out week you may arrive at the marina the Saturday OR Sunday, of the week, you are scheduled for a haul out; we cannot accept boats any earlier than scheduled haul out weeks. When arriving please contact the Dock Office at (203) 838-5899, or email dockmaster@norwalkcove.com, for a slip assignment.
- 5) When a boat is hauled out for the winter season, there is a chance the boat will be moved a few times before it will be left in the final spot for the winter season.
- 6) If decommissioning your own boat, it is your responsibility to inform the Service Department and leave a clear, well-marked, note on the boat. (As described above a towing fee will be applied if the boat has been winterized and needs to be towed to the travel lifts)
- 7) Shrinkwrap can be installed immediately or up to 3 weeks after the haul out date depending on weather, boat decommissioning and other circumstances.
- 8) Chains will be attached to stands within 10 days of the boat haul out (When applicable).
- 9) If you are preparing to perform any significant winter work on your boat, or hiring a subcontractor, it is your responsibility to communicate this to the office and inform the subcontractor to check in at the office upon arrival at the marina. Subcontractors without proper insurance will be asked to stop work and leave the property.
- 10) Due to keeping costs down, Norwalk Cove Marina, Inc. cannot use customer supplied materials – many times materials are incorrect, wrong size, improper amount and this adds time to the hauling process/decommissioning completion.
- 11) Please be sure to read the reverse side of the 2023/2024 Winter Storage Contract and familiarize yourself with the General Yard Rules and Terms of Agreement.

As always, if you have any questions regarding the services you may need on your boat, please call the Service Department for assistance!

Sincerely,

The Service Team at Norwalk Cove Marina, Inc.

By signing this form, I acknowledge I have read the above bullet points, in full, and understand what is expected to ensure a safe and successful haul of my boat. I am stating my boat will be ready for my designated haul week and understand if the boat should not be ready, it is my responsibility to inform the Service Department, as Norwalk Cove Marina, Inc, in writing, by the Friday PRIOR to my desired haul week.

Winter Land Storage: Season is October 15th to April 15th. (Electricity will be metered/charged a flat monthly fee) All boats MUST be launched by July 1st, 2023 – Long Term Land Storage is no longer available as of July 1st, 2024.

Winter Storage Dry with Mast-In: Owner agrees Norwalk Cove Marina, Inc. will not be held responsible for any damages due to this type of storage, whatsoever. (Do not tie covers to poppits.) All sails must be removed before hauling.

Wet Winter Storage: Electricity may be metered. The wet storage season runs from November 1st to April 15th. Owners are required to have the Service Department winterize all in-water seacocks. Seasonal wet storage customers are required to depart by April 15th. It is the owner's responsibility to make arrangements with the Dockmaster, if otherwise. Vessels not under summer contract will be charged at the transient rate of \$3.50/ft/day plus electricity. Full payment is due with the return of this contract and prior to the vessel occupying a slip.

General Yard Rules and Terms of Agreement

- 1) Prior to hauling, owner agrees to leave keys or combination with Service Department.
- 2) No outside labor is permitted unless Norwalk Cove Marina, Inc. permission is obtained in advance. Outside contractors shall: 1) check in with the Yard office 2) Provide insurance certificate and 3) sign in/out each day.
- 3) All vessel owners agree to carry hull (i.e. fair market value of the vessel) and liability (i.e. a minimum of \$300,000.00 insurance for pleasure and \$1,000,000.00 for commercial insurance). Proof of insurance is to be provided prior to hauling. Owner agrees the yard will not be held liable for damages due to fire, storm, theft, wind, ice, act of God, outside labor, or the work of independent contractors and waives any claim for the same. Each vessel and its owner will be held responsible for damage caused to other vessels and/or the yard.
- 4) Bills will be mailed monthly and are due when received. When the balance of any account remains unpaid beyond 30 days, the owner agrees all work will be halted and will not resume until the account is paid in full. A service fee of 1.5% per month will be added to balances 30 days past due. All bills must be paid in full before summer slip contracts are accepted, or slips are reserved and prior to a vessel being launched.
**No adjustments will be made on invoices 30 days past bill date. It is the owner's responsibility to ensure their account is current. During the commissioning season preference will be given to those owners who have kept their accounts current. All charges shall be a lien against the vessel and will continue to be deemed so until those obligations are paid in full. If bill is not paid within 30 days, the Yard may return the boat to Norwalk Cove Marina, Inc. and haul the vessel at the vessel owner's expense.
- 5) The summer season runs from April 15th to October 15th. Vessels will be moved at the owner's risk and expense from parking areas to storage areas at a rate of \$4.00/ft/day. If they remain on land until September 1st and arrangements are not made with Norwalk Cove Marina, Inc., upon written notice to the tenant at their last contract address, the said vessel shall revert to Norwalk Cove Marina, Inc.
- 6) To prevent the possibility of fire, no electric cords may be left plugged in during winter storage, no electric heaters or open flames are allowed for any reason.
- 7) Do not tie winter covers to poppits or blocking because of the danger of dislodgement.
- 8) The owner is required to keep the area around the vessel clean and free from any debris. No storage permitted around or under the vessels. Norwalk Cove Marina, Inc. may clean the area at the vessel owner's expense.
- 9) Vessels without Norwalk Cove Marina Inc. Summer Contracts will incur additional storage charges if not launched by June 15th.
- 10) After a vessel, that does not have a summer contract (i.e. berth) with the marina is launched in the spring, it will be allowed free dock space until the following weekend, or three days; whichever is greater. Thereafter the transient rate of \$4.00/ft/day will be charged.
- 11) The display of any sign on/in a vessel which is in Norwalk Cove Marina, Inc. is prohibited unless prior written permission has been received from the Yard.
- 12) No work may be performed, or vessels plugged in on land after 4:00pm during the months of December, January and February.
- 13) For safety and security, nobody should be on land stored vessels after 4:00pm during the months of December, January and February.

Jurisdiction

The parties agree any dispute and/or claims of whatsoever nature arising between the parties hereto shall be resolved exclusively in the United States District Court, District of Connecticut, sitting in Admiralty and that should any party have a right to a jury trial it is hereby waived. Additionally, the owner agrees to hold harmless and indemnify the Norwalk Cove Marina, Inc. for any claims of whatever nature, including negligence, which may be brought against the Norwalk Cove Marina, Inc. as a result of the vessel and/or its owners presence in the Yard, which relate in any manner to this agreement, including but not limited to guests brought on the premises by the owner.

Collection

The owner agrees that should they default on their obligation under this agreement that Norwalk Cove Marina, Inc. shall be entitled to its reasonable costs of collection, including attorney's fees, plus interest at 18% per annum.

Changes to Agreement Required to be in Writing

The terms of this agreement may not be altered in any manner unless in writing signed by both parties. Should any of the provisions of this agreement be held to be invalid, it is agreed that the remaining provisions hereto shall have full force and effect.
