

Washington County Community College

Calais, Maine

Discover Choices • Create Success

Earn a Workforce Certificate in Coastal Fisheries & Marine Technology

With added industry recognized credentials such as PADI Diver Certification, OUPV Captain's License and ABYC Certifications – for FREE!

CLASSES

Classes are a combination of online and in person and run across various timeframes, including multi-day long, weekend, and 8 & 10 week modules.

TIMEFRAME

Courses begin late fall and run through June 2021, with the majority of coursework taking place from November 2020 through April 2021.

TRAINING

Hands-on and relevant training in our labs, plus multiple opportunities for live experiences at industry locations throughout the region.

- ➔ Are you a student lobster license holder needing an educational component?
- ➔ Are you a commercial fisherman wanting a credential of value and a well-rounded, relevant, and robust training opportunity?
- ➔ Do you want a career in Maine's fast-growing aquaculture industry?
- ➔ Do you want to get a head start on a higher degree track?
- ➔ Do you want to diversify your fisheries related business?

This WCCC program is funded in partnership with Maine Quality Center and Sunrise County Economic Council.
