

The Rangeley Lakes

Visitor & Resource Guide

Spring: As winter loses its grip on the area, ice on the lakes gives way to deep blue waters, a fisherman's paradise for landlocked salmon and brook trout. Fields and forests come alive as wildflowers emerge once again, the loons return and you may even be lucky enough to catch a glimpse of a newborn moose or deer.

Summer: Enjoy boating, water sports, golf, fields blanketed with lupine & wildflowers, hiking for all skill levels, breathtaking drives & vistas, and magical stargazing, including the most spectacular light show of all, the Aurora Borealis. Choose from a wide variety of dining, shopping, accommodations and much more.

Hiking

Bald Mountain Trail: Take Bald Mt. Road. Trail is on left. Follow marked trail to top of mountain approx. 1.75 miles. Be sure to proceed to fire tower for beautiful views of surrounding mountains & lakes. Good family hike! Picnic table at both top and bottom of trail.

Cascade Stream Gorge Trail: Route 4 south of Rangeley 3.5 miles, turn left on Town Hall Road, follow signs to parking area. Follow trail markers through forested area, trail opens before stream-side trail. Multiple short spur trails to view gorge and waterfalls. Easy, but uneven and steep terrain. 30 minutes.

Hatchery Brook Trail: 1/10 mile on Manor Road off Route 4 just west of Rangeley Village. Easy one-mile loop through woods with 3 lakeshore picnic sites.

Hunter Cove Wildlife Sanctuary: A series of walking trails to view wildlife on Rangeley Lake's Hunter Cove courtesy of the RLHT. Enter parking lot off Route 4 at the foot of Dodge Pond Hill.

Mingo Springs Trail & Bird Walk: A 2 mile walk through various forest types with excellent wildlife viewing. From intersection of Route 4 & 16 downtown, travel north 2.2 miles. Turn left on Mingo Loop. Trail head is 0.4 miles on right.

Piazza Rock: Enter Appalachian Trail where it crosses Route 4 approx. 9 miles south of the center of Rangeley. Nice hike to do with children. Approx. 1.4 miles to Piazza Rock.

Saddleback Mountain: Begin at the Base Lodge and follow the orange stakes on the following trails - Grey Ghost, Upper Grey Ghost and Tri Color. The trails are wide and offer nice views.

Smalls Falls: 12 miles south of Rangeley on Route 4. Picnic area, scenic spot. Cross footbridge. Trail goes along stream to other falls. Children love this area.

ANNUAL EVENT HIGHLIGHTS..... 29

MAINE'S RANGELEY LAKES

The pristine splendor of lakes and mountains serves as a perfect setting for year-round vacations. The Rangeley Lakes glisten like gems stretched out below 4,120-foot Saddleback Mountain. Six major lakes, hundreds of smaller lakes and ponds, and rivers and streams lure vacationers for fishing, boating and swimming.

Play golf and tennis or take a bike ride or a scenic seaplane flight. Boat, canoe, and kayak. Walk or hike numerous trails, including the famous Appalachian Trail. Browse a variety of shops and enjoy cultural events and festivals in all seasons. Drive the Rangeley Lakes National Scenic Byway to magnificent overlooks. Registered Maine Guides assist fishermen, hunters, recreational hikers and wildlife watchers.

The world's most brilliant fall colors transform the mountain-and-lake vistas to breathtaking beauty. Fall ushers in winter's equally beautiful and sparkling snowscapes.

Snowmobile the Region's 170 miles of trails groomed with the latest-technology equipment. Trails connect to New Hampshire and Canada. Nordic skiing is superb at the Rangeley Lakes Trails Center and ski the new Saddleback - Saddleback is back!

Inns, cottages, homes, condos, B&B's, lodges, sporting camps and campgrounds cater to every need. You'll enjoy the abundant variety of dining and shopping.

Our seasons unfold dramatically, each enhancing the unspoiled mountains and wilderness. Lush greens; sunlit hillsides of many-colored wildflowers; brilliant reds, oranges, yellows, browns; or stark white result in equal beauty for each season.

When you visit the Rangeley Lakes, stop by the Chamber of Commerce at Lakeside Park for numerous detailed brochures, maps and area information.

RANGELEY ACTIVITIES

Arts & Entertainment: Rangeley is home to a variety of visual arts, performing arts and living art. Enjoy the talents of our local artisans or find yourself engrossed in one of our local Lakeside Theater productions or movies. Moose Alley is a truly unique entertainment center which houses: 10 state-of-the-art bowling lanes, tournament billiard tables, shuffleboard, darts, air hockey, foosball, 17 arcade games with a prize redemption center, 22 HD TVs, with 7 giant screen TVs, an elevated stage for live music/entertainment every weekend and a dedicated dance floor.

Biking: The Rangeley area offers some great Mountain Biking. The terrain is mountainous and the views are fantastic. You will experience single and double track, gravel roads, logging roads and wilderness riding. You will find (and go through) streams, ponds, deep forests, and open fields and see wildlife in their natural habitat. See also: WINTER IN THE RANGELEY LAKES REGION section.

Birding: The Rangeley area is a wonderful place to see birds and other wildlife. Because we have such a diverse set of ecosystems within a huge wilderness area, just about any bird that comes to the northeast can be found here, even those that are rare and endangered. Contact the Rangeley Lakes Heritage Trust for information on the Rangeley Birding Festival in early June.

Fishing: World-class sport fishing for Brook Trout and Land-locked Salmon. Many waters restricted to fly-fishing only. An area rich in fly-fishing history.

Golf: Mingo Springs Golf Course and Evergreen Golf Course.

Hiking/Walking: Numerous marked mountain trails to Maine's highest peaks, including the famous Appalachian Trail; woods and nature trails for hikers of all ages, including Easy, Moderate and Challenging trails.

Hunting: Upland game birds, small game and big game including trophy whitetail deer, bear, limited moose permits.

Museums: Visit the Wilhelm Reich Museum, the Rangeley History Museum, Outdoor Heritage Museum and the Maine Forestry Museum.

Scenic Vistas: Explore the Rangeley Lakes National Scenic Byway, a 35-miles National Scenic Byway from Mexico to Madrid, Routes 17 and 4. Just a few highlights along the Byway are Height of Land, Shelton Noyes Overlook, Whip Willow Farm Overlook and Smalls Falls. Another must see is the view from the top of Quill Hill.

Skating and Curling: see WINTER IN THE RANGELEY LAKES REGION section.

Skiing: see WINTER IN THE RANGELEY LAKES REGION section.

Snowmobiling: see WINTER IN THE RANGELEY LAKES REGION section.

Stargazing: Rangeley is the closest dark belt location near urban amenities in the Northeast. Without all those lights, we see the stars dripping out of the sky and the Milky Way in all its glory. The best viewing time for the Northern Lights is August to October.

Tennis: Municipal courts are available at Rangeley Lakeside and Oquossoc Parks. Many accommodations also have tennis courts.

Water/Lakes Activities: Lakes, ponds, rivers and streams for sport fishing, boating, sailing, canoeing, kayaking, swimming and water skiing.

Wildlife: Vast wilderness area rich in wildlife for viewing land and water birds, big and small animals including the famous Maine moose.

WINTER IN THE RANGELEY LAKES REGION

Rangeley was named one of the TOP 10 Winter Towns by Yankee Magazine. Come visit and you'll quickly discover why. Enjoy our major winter events, the myriad activities or simply experience the natural beauty of winter in the Rangeley region.

FAT TIRE BIKING

Fat tire biking is very popular in the Rangeley area. In addition to the trails at the Rangeley Lakes Trails Center, fat tire bike riders may use snowmobile trails and some Rangeley Lakes Heritage Trust Hiking Trails. Trails that are groomed include Hatchery Brook Trail and the Maine Forestry Museum Trails. Enjoy fantastic, groomed trails with mountain and lake views.

www.rangeleylakestrailscenter.org

SKATING & CURLING

Enjoy skating like the old days. Two rinks are maintained for hockey and figure skating by the Rangeley Skating Club. Skates can be borrowed at Ecopelagicon– sizes for the entire family. Everything is free of charge. Rinks are lit until 10PM. Enter at Haley Pond Park, 7 Pond Street, downtown Rangeley. Visit the Rangeley Skating Club and Rangeley Lakes Curling Club on Facebook to learn more about skating and curling on Haley Pond.

SKIING & SNOWBOARDING

Saddleback Mountain has the highest base elevation of any ski area in Maine and receives some of the most snowfall in the state. With a new high-speed quad, \$2 million investment in snowmaking and grooming, a new t-bar, rope tow and magic carpet, Saddleback is back and better than ever. Saddleback will always be about its unique culture; a laid-back community of people who love the outdoors, who love skiing and who want to be surrounded by others who share those values. Come find out why Saddleback is #MoreThanAMountain: www.saddlebackmaine.com

SNOWMOBILING

Rangeley offers 170 miles of groomed trails connecting with hundreds of miles of trails maintained by other area clubs, and the ITS trail system connecting Maine, NH and Canada. Our trails are groomed daily by the Rangeley Lakes Snowmobile Club. Trails are well marked and an excellent trail map is available. Cookout areas are available along the trails and if you need gas, a place to stay or a bite to eat, there are trail side services for all your needs. www.rangeleysnowmobile.com

X-C SKIING & SNOWSHOEING

Rangeley Lakes Trails Center, located just 4 miles from town at the base of Saddleback, offers 55 km of world-class, superbly groomed trails for classic or skate Nordic skiing for all ability levels, as well as groomed snowshoe and fat bike single-track trails. Full rental equipment for skis, snowshoes and bikes is available. Enjoy snacks and hot soups at the cozy yurt lodge. RLTC offers a special discount rate on Maine Days, the first Sunday of each month (except holidays) for adult Nordic day passes. Mondays are Ladies' Day, ½-price pass and a free soup. Tuesdays are Men's Day, ½-price pass and free soup and Wednesdays are BOGO - bring a friend! Check website for other special discount days and up-to-date information on events and trail conditions. Trail info is also posted on TrailHub. www.rangeleylakestrailscenter.org
