

SNOWMOBILING IN THE RANGELEY LAKES REGION

Over 170 miles of well-groomed trails in the Rangeley Region are maintained by 5 state of the art grooming machines. Trails connect to all points north, south, east, and west. All vacationer and snowmobiling services are located trailside on the scenic system. Trail maps are available for \$5.00 each plus \$2.50 for postage from the Rangeley Lakes Snowmobile Club, at www.RangeleySnowmobile.com. There are no trail fees, but Membership to The Rangeley Snowmobile Club is highly recommended.

To snowmobile in Maine, all snowmobiles must be registered in the State of Maine. This law was passed after considerable prompting by snowmobilers and the Maine Snowmobile Association. Its purpose is to provide superior snowmobiling as funds generated are earmarked for the trail system. We hope you will enjoy excellent riding in the State of Maine.

To register a snowmobile online, visit https://apps1.web.maine.gov/online/atv_snow/index.htm. Locally, snowmobiles may be registered before you ride at Rangeley Town Office (**cash or credit**), Rangeley Chamber of Commerce (**cash or credit**), Bosebuck Mountain Camps (**cash only**) and River's Edge Sports (**cash only**). 2021/2022 registration fees are \$56 for residents; non-resident registrations fees are \$75 (3 day); \$100 (10 day) and \$120 (season).
