

# SNOWMOBILING IN THE RANGELEY LAKES REGION

Over 170 miles of well-groomed trails in the Rangeley Region are maintained by three state of the art grooming machines. Trails connect to all points north, south, east, and west. All vacationer and snowmobiling services are located trailside on the scenic system. Trail maps are available for \$5.00 each plus \$1.00 for postage (check or money order) from the Rangeley Lakes Snowmobile Club, P. O. Box 950, Rangeley, ME 04970. There are no trail fees, but there are numerous fundraisers throughout the season.

To snowmobile in Maine, all snowmobiles must be registered by the State of Maine. This law was passed after considerable prompting by snowmobilers and the Maine Snowmobile Association. Its purpose is to provide superior snowmobiling as funds generated are earmarked for the trail system. We hope you will enjoy excellent riding in the State of Maine.

To register a snowmobile, applications may be obtained by writing the Division of Recreational Safety and Registration, Snowmobile Section, Department of Inland Fisheries and Wildlife, State House Station 41, Augusta, ME 04333. Non-residents may register on line at [www.maine.gov/ifw](http://www.maine.gov/ifw). Locally, snowmobiles may be registered before you ride at Town Office (**credit or cash**), Rangeley Chamber of Commerce (**cash only**) and Bosebuck Mountain Camps (**cash only**). 2019/2020 registration fees are \$46 for residents; non-resident 3 day is \$50, 10 day is \$76 and \$100 for the season.
