Narrative: **01/29/2024 1120 Damore, Michael**
Female party and her friend came into the station to report that the RP, Maria, believes she is being followed. She believes that she has been being followed for 5 months both at home at 20 Nahant Ave and at work a Quincy Market in Boston. Party believes that different sets of people are following her at home and at work. Female stated that there are both males and females involved in the groups. She said they are white and black. She also said they are middle aged. I advised the friend (because the rp did not speak English) to have her call the Police when she believes she is being followed so that we can identify anyone that may be following her. No potential suspect or even a crime at this point. Log entry only.

Male party came into the police station to report threats from the maintenance supervisor at Northgate apartments. On 1/24 while his gf was having an 'episode', police and bhu responded. The maintenance supervisor went into the building when he saw the police there. He then made verbal threats toward the reporting party while police were inside the unit. After being brought downstairs, the party also stated that he should "bust his head open, I don't care if you (cops) are here". Reporting party wanted this incident on file since the leasing office is trying to evict him.

 While travelling north on North Shore Rd.@ the entrance to Wonderland Market Place, I observed 2 MVs stopped in traffic w/occupants outside of MV. Attached silver MV w/RI plate was behind white MV w/MA plate w/2 males looking at the rear and front bumpers of both MVs. I activated my Emergency Blue Lights and went to assist. I requested Off. Armata, Unit 103, to assist with translation of instruction of how to file an accident report. I had both parties take pictures of the bumpers and assisted in exchanging information. Please note that the RI plate is a rental and the operator stated that he had Geico as insurance. Both parties were advised how to file an accident report. Both vehicles were operable. No apparent exterior bumper damage observed.

Female party came into the station to report her daughter as
'missing'. She claimed she has not been in touch with her 17
yo daughter in a couple of days. I called a number she
provided and spoke with the daughter, Taisha. Taisha told me
that she had texted her mother yesterday where she was
staying for the night and that her mom has a "Life 360" app
that provides her mom with a location when needed. Taisha
told me she would be home at around 4pm or 5pm and was
currently at 26 Brookline St in Revere. I told her that as
long as she was home by then, no further action would be
required. I relayed this information to her mom who would
