Narrative: 02/15/2024 0216 Carey, Patricia
While travelling north on Rte 107 Broadway @ Central Ave, I observed a gray MV in the right turn only lane at this intersection. I was behind an MBTA bus in my unmarked K9A cruiser waiting for light to green. As the light turned green to continue north, I observed the gray MV continue north on Broadway travelling into the marked street parking spots passing the MBTA bus on the right. Once past the bus, the gray MV moved back into the proper lane. I activated my emergency blue lights and siren to initiate a MV stop. The gray MV pulled over Broadway @ Mountain Ave. Operator presented his license upon demand but not the registration. He mistakenly handed me a MV citation. The operator is a food delivery driver and he was attempting to make his delivery. Operator was cited for passing on the right-prohibited and issued Citation #T3117544.

Ms. Digirolamo came to HQ to report that she is in fear for her safety. She stated that Kevin Montgomery has moved to Malden, about 3 miles from where she lives. Montgomery is the father of Digirolamo's grand child, and they have a history of domestic intimidation and harassment. Montgomery is the uncle of Adam Montgomery, who is on trial for the murder of Harmony Montgomery. Digirolamo feels that her safety is in jeopardy because of the ongoing case of his nephew and the abusive history Digirolamo has with Kevin. According to Digirolamo, her daughter was verbally abused and intimidated by Kevin for years before moving in with her father. Kevin had moved from Quincy to Malden in May 2023, and since then Digirolamo's daughter has been aggressive toward Digirolamo. She believes her daughter sees her as a threat because of an ongoing probate matter and all of this has happened since Kevin's return to the area.

I have advised Digirolamo of her 258E rights.
