Mr Arsenault (plaintiff of the harassment order) is reporting that he has a harassment order that just expired at 4pm today. He did not realize the hearing for the extension was today. He stated that 2 days ago his father saw a message posted about Mr Arsenault on Mr Albert Sabbag (harassment order defendant) own facebook page. Mr Arsenaults father is still facebook friends and saw the message and relayed it back to his son. The message claims that Mr Arsenault owes him money regarding a buisness venture. He claims to have gone by the house to slap some sense into Mr Arsenault and claims he ran into the house. Mr Arsenault was advised to go to court to have his harassment order amandended to stipulate that Mr Sabbag cannot speak about him on his own social media page. Mr Sabbag did not directly reach out to Mr Arsenault or his father. Mr Arsenault stated that he does not want a hearing to be setup regarding a violation of a 258E at this time and that he will go to court.

Reporting party, David, came into report a possible scam. David stated that he started talking to a girl on Thursday, 6/27, who added him on Instagram. She then gave him her

whatsapp contact info and began messaging him more. She asked him for pictures and eventually money. She then threatened to 'expose him' by spreading his picture out to everyone for being a pedophile if he did not send her \$1000. Male party wanted this incident on file.

Walk in for disturbance between RP and former roommate

Narrative: **07/04/2024 2057 Damore, Michael**  
RP, Hassan, said that his former roommate showed up today at his apartment. He said that he was there to gather belongings. When Hassan told him he could not come in, the two began yelling at each other. The former roommate, Aziz, spit on the floor in Hassan's direction and said he wanted to hit him. Aziz, however, did not hit Hassan. I advised Hassan to keep his door locked and/or change the locks. I also advised him to seek out a harassment order after two more incidents. Call entry only.
