Narrative: **09/22/2024 0240 Carey, Patricia**
I, Sgt. Carey, was travelling south on Ocean Ave in my assigned unmarked K9A cruiser and had green light at intersection with Revere Beach Parkway. As I was preparing to take a left at the light towards Eliot Circle, I observed the cited MV coming onto Ocean Ave from Revere Beach Parkway through the red light. I activated my emergency blue lights and siren and intitated a MV stop. I advised the operator of the reason for the stop and made a demand for the operator's license and registration. The operator presented his license upon demand however was unable to produce his registration. I issued a written warning (Citation #T3117550) for the red light violation and registration not in possession. Clear.

Above party called the Winthrop Police Headquarters to report that someone had sent her an email with a PDF of her information, to include a photo of her house. They threatened her by saying if she did not send money they would come to her house and leak her information. She is going to leave work and come to the PD to make an official report. She was advised this is a scam and not to send money. Officers will do directed patrols around the area.
