Dear Parent/CDS/Special Education Director:

Maine’s Division for the Blind & Visually Impaired (DBVI) is mandated to provide services to children (birth to completion of high school) with a vision impairment which affects their ability to learn. Education Services for Blind & Visually Impaired Children (ESBVIC) a program of Catholic Charities Maine is contracted by DBVI to provide these education services. The Teachers of Blind & Visually Impaired (TVIs) may provide the following services: assessment of vision & corresponding implications for learning, direct teaching, and/or consultation to schools & families. TVI’s providing services to children are part of the Early Childhood Team the Individualized Education Program Team or the 504 process. Upon receiving a completed application packet, the ESBVIC supervisor assigns the child to a TVI who will then provide an assessment to help determine the functional implications of the vision loss.

As a contract provider for the Division for the Blind and Visually Impaired, information will be shared with DBVI. Our program is also a mandated reporter to Maine’s Department of Health and Human Services of any cases of abuse or neglect if that occasion should ever arise.

It is essential for determination of services from ESBVIC and DBVI that all of the documents are returned. In particular, please note that ESBVIC needs a medical eye report from the doctor so we can proceed in processing the student’s application. If you do not have the doctor’s report please make sure the releases are signed and we will request the report.

Information to return in the enclosed, self addressed, stamped envelope

1) Application Form
2) Medical Eye Report – from Child’s eye doctor
3) Client Consent to Email Usage in Treatment
4) Authorization to Disclose Information for ESBVIC
5) Authorization to Disclose Information for DBVI
