Lord Jesus,  
help me to grow tall and strong  
just like the mustard seed.

May your stories  
act like a tiny seed inside me  
so my faith will grow  
like the mustard seed tree.

Even though I may be small,  
give me love and strength  
to help those around me.

Amen

Father, we pray that  
the little mustard seed of faith  
that you have put within each one of us  
will continue to grow  
as we know you better.

Amen
