

Bolton Energy Committee  
Special Meeting  
Date: Thursday March 24, 2022 Time: 7 PM  
Location: Zoom Meeting via Bolton Procedures  
**Call-In Number: 1-929-205-6099**  
**Meeting ID: 859 0460 7783**

Attendees – Richard Dziadul, Andy Macomber, Jim Adams

1. Call to order
2. Public Comment
  - a. None
3. Approval of meeting minutes October 27, 2021 Special Meeting
  - a. Approved unanimously
4. Correspondence
  - a. CT Green Bank Solar MAP – emails declining a Power Purchase offer
  - b. Email from Town admin requesting annual report
5. Ongoing Business
  - a. Progress on Solar Carport at High School
    - a. Solar Carport received 8 bids
    - b. However, CT Green Bank (CGB) declined to provide a Power Purchase Agreement (PPA) for the Solar Energy.
    - c. Richard is going to notify the Board of Selectmen (BOS) via letter.
    - d. Richard will contact CGB to discuss solar panel project for the Center School Roof. Will partially depend on whether they plan to reroof the Center School.
    - e. Richard will also find out if the town has evaluated the Center School roof for solar. If not, may ask CGB to do so, pending agreement from the town.
  - b. Energy Committee Inquiry questions Bolton Center School
    - a. Reroofing plans - need to find out if roof is being replaced in 2022. If so, we would like to include solar.
    - b. Apparent plan is to remove the current roof surface and replace it with layer of insulation, rubber cover, etc.
    - c. Also need to review the structural assessment that has apparently been completed by the town (was said to be in progress last fall).

c. Electric Car Chargers

a. Recommendation to Board of Selectmen

i. Research into programs and incentives

1. There is a new incentive program:

<https://www.eversource.com/content/ct-c/business/save-money-energy/clean-energy-options/business-ev-charging>

2. Rebates available up to \$20,000 for 2 ports (up to 50% of charger cost + up to 100% of installation cost)

ii. Charger type and locations

1. L2 chargers are the only realistic option for the town at this time and would need to be located where lots of cars park for many hours (eg., High School).

iii. Cost of the electricity used would be paid for by the town.

iv. Richard will discuss this with the town to see if they are interested.

6 New Business

a. 2021 Annual Report requested by December 20, 2021

a. Richard sent the report in January.

b. Program Meeting dates for regular meetings for 2022

a. May 11, Aug 10, Nov 9. Approved unanimously

7 Adjournment
