Finance Committee shall file the approved budget with the Town Clerk at least five (5) days prior to the Annual Budget Referendum on such budget.

5. Should the Finance Committee fail to approve a budget by the end of the tenth (10th) day of May, the budget as transmitted by the Board of Selectmen and the Board of Education in accordance with Sections 8.4 B. and 8.4 C. of this Charter shall be deemed to have been approved by the Finance Committee and the same shall be filed with the Town Clerk for consideration at the Annual Budget Referendum.

The proposed budget, as recommended by the Finance Committee, shall be presented to the Annual Budget Referendum to be held not later than the twenty-fifth (25th) day of May.

- B. Annual Budget Referendum Action.

1. The annual budget shall become effective only after it has been approved by the Finance Committee or in accordance with the provisions of Section 8.4 (D)(5) of this Charter, and adopted by an annual referendum.
2. The Annual Budget Referendum may adopt, reject, but cannot increase the budget or any portion thereof as approved or deemed to have been approved by the Finance Committee. The adoption of the budget by the Annual Budget Referendum shall be deemed to constitute the appropriation to each commission, board, agency and office.
3. The Finance Committee shall give the Town Clerk written notice of the question to be voted upon at least five (5) business days before the date of the annual budget referendum. Absentee ballots shall be available not less than four (4) business days of the date of the referendum. Legal notice of the referendum shall be given when written notice of the question is received by the Town Clerk. The budget referendum shall, in general, be conducted according to the statutory requirements of a referendum with fewer than three weeks' notice. Electors and qualified property owners shall be permitted to vote at the budget referenda.
4. The Finance Committee shall provide to the Town Clerk a simplified summary of the proposed budget at least five (5) business days before the annual budget referendum. Such simplified summary shall explain in plain language the proposed budget and include a simplified financial statement. In the event the Finance Committee fails to approve a budget as required in Section 8.4(D)(4), the Board of Selectmen and the Board of Education shall each prepare a simplified summary of their respective budgets as set forth above and provide the summary to the Town Clerk at least five (5) business days before the annual budget referendum. The Town Administrator shall promptly cause all such simplified summaries to be

1. In the event that the budget is rejected by the Annual Budget Referendum, additional Annual Budget Referenda shall automatically be held in succeeding intervals, in a manner deemed appropriate by the Board of Selectmen, of no less than seven (7) and no more than twenty-one (21) days until such time as a budget is approved by a majority vote. Each time a budget is rejected, the Finance Committee in consultation with the Board of Selectman and/or Board of Education shall forthwith reduce the total budget. In reducing the total budget, the Finance Committee may revise the total appropriation for each of the following: the Board of Selectmen operating budget, the Board of Education operating budget, the contingency fund, the debt service, and the capital improvement budget. Summaries of the revised budget shall be available before the next Referendum on the Annual Budget is held.
2. If the Budget Referendum fails to approve a budget by the start of the ensuing fiscal year, a temporary operating budget will be utilized.

D. In the event the budget is not approved by the start of the ensuing fiscal year, the Finance Committee shall meet and set a temporary tax rate at a rate no higher than the mill rate for the previous year. The Tax Collector shall forthwith issue tax bills, subject to an appropriate credit or refund, in the event the final mill rate as set is less than previously set by the Finance Committee pursuant to this section. In the event that the mill rate exceeds the temporary mill rate, the Tax Collector shall be empowered to issue a supplemental tax bill during the fiscal year.

E. Levy and Collection of Taxes. Following approval of the annual budget, the Finance Committee shall meet and establish the tax rate on the taxable property of the Town sufficient, in addition to the other estimated yearly income of the Town and with due provision for estimated uncollectible taxes, abatements and corrections, not only to pay the expenses of the Town but also to absorb any deficit at the beginning of the ensuing fiscal year. It shall then be the duty of the Tax Collector to mail to each taxpayer a tax bill. Except as otherwise specifically provided in this Charter, the assessment of property for taxation and the collection of taxes shall be carried on in accordance with the General Statutes. In the event additional revenues become available to the Town after approval of the budget, the Finance Committee may apply the additional revenue to reduce the mill rate.

When referendum is required and the source of funding is borrowing, both the supplemental appropriation and the proposed borrowing shall be included on the ballot for voter consideration.

2. Supplemental appropriations which are rejected by the Finance Committee may be brought to Town Meeting for approval, reduction or rejection pursuant to the procedures and voting requirements of Section 9 of this Charter.

E. Emergency Appropriations.

The Board of Selectmen, acting pursuant to a declaration of a state of emergency, shall be empowered to make appropriations for the purposes of meeting a public emergency threatening the lives, health or property of citizens, provided such appropriations shall receive a favorable vote of at least two-thirds (2/3) of the members present of the Board of Selectmen. Written notification of such appropriations shall be given within four (4) business days to the Finance Committee at its Town address and a copy thereof posted as required by law.

Said fund shall be used for capital and nonrecurring expenditures to provide for the planning, construction, reconstruction and/or the acquisition of any capital improvement, including land, or the acquisition of any specific item of equipment of such category, character or nature as not to be a purpose or object for which an appropriation is customarily made annually.

B. Capital Acquisition Planning and Allocation. It shall be the duty of the Finance Committee to assemble a list of capital projects to be funded in the ensuing fiscal year and a list of anticipated projects for the following four (4) fiscal years. Such report shall be submitted to the Board of Selectmen by January 31 as the proposed Capital Budget for the Board of Selectmen to accept, modify or reject. The Board of Selectmen in consultation with the Board of Education shall submit a Capital Budget to the Finance Committee as part of the overall budget no later than March 15.

C. Operation of the Fund.

1. Upon recommendation of the Finance Committee and approval of the Annual Budget Referendum or at a Town Meeting, and subject to any minimum funding requirement or any aggregate limit on the Reserve Fund For Capital and Nonrecurring Expenditures, there shall be paid into the Reserve Fund For Capital and Nonrecurring Expenditures the following amounts:
 - (a) amounts authorized to be transferred thereto from the general fund cash surplus available at the end of any fiscal year, and

3. Upon recommendation of the Finance Committee, any project appropriation request for the Reserve Fund for Capital and Nonrecurring Expenditures shall be passed on to a Town Meeting for approval unless the project appropriation is adopted as part of the Annual Budget Referendum. Upon approval by a Town Meeting or Annual Budget Referendum, the Board of Selectmen may use the project appropriation for the financing in full or in part of the project. If the recommendation of the Finance Committee is to disapprove a project appropriation request for the use of the whole or any part of this fund, such request may be brought to Town Meeting for approval, reduction or rejection of such request pursuant to the procedures and voting and referendum requirements of Section 9.5 of this Charter. No project appropriation of less than 0.05% of the Total Expenditure Amount may be included in the Reserve Fund for Capital and Nonrecurring Expenditures.

D. Termination of Appropriations from the Reserve Fund for Capital and Nonrecurring Expenditures. If any authorized appropriation is set up pursuant to Section 8.7 (C)(3) and through unforeseen circumstances the completion of the project or acquisition for which such appropriation has been designated as no longer feasible, upon recommendation of the Finance Committee; approval by the Board of Selectmen; and approval of Town Meeting, such appropriation shall terminate and may be transferred to another approved project.

Upon recommendation by the Board of Selectmen and Finance Committee, and upon approval at Town Meeting, said Reserve Fund For Capital and Nonrecurring Expenditures shall be discontinued and said fund shall be converted into, or added to, a sinking fund to provide for the retirement of the Town's non-serial bond indebtedness.  3. Any borrowing and any issuance of bonds or notes, other than as authorized in paragraphs one and two above, shall require a favorable vote at Town Meeting. If, however, this borrowing is greater than 2% in the aggregate of the Total Expenditure Amount, such borrowing shall require a favorable vote at Town referendum.
- C. Other Provisions.
1. In the event that the Finance Committee shall determine that any nonrecurring expenditure included in the annual budget is of so large an amount that the tax levied to pay it would make the total tax so high that in the judgment of the Finance Committee it would be inconsistent with the public welfare, the Finance Committee may authorize, subject to the vote of a Town Meeting or referendum if required under Section 8.8 (B)(3) of this Charter, borrowing such amount and the issuance of notes to be repaid over a period of not more than five (5) years in accordance with the provisions of the General Statutes.

Any construction or acquisition of capital improvements, including land, which is funded from a source other than the Reserve Fund For Capital and Nonrecurring Expenditures shall be deemed to have been abandoned if three (3) fiscal years shall elapse without any expenditure from or encumbrance of the appropriation therefor. Any other annual appropriation or portion thereof, remaining unexpended and unencumbered at the end of a fiscal year shall lapse.

B. Spending Authorizations. No member of any commission, board or agency and no officer of the Town shall expend any funds or enter into any contract which would oblige the Town to expend funds in excess of an approved appropriation.
