Choose your library from the list. Then, type in your library card number.

5. Find a book to check out:

You can search the collection by tapping in the “Search” box and entering a title, author, or keyword. You can also browse the collections by choosing a category from the menu in the top right corner of the screen.

6. Check out your book:

Click “Borrow” to check the book out.

If all copies of the title are checked out to another user, you will see a “Place a Hold” button instead. Click here and enter your email address to be notified when the book is available.

7. Getting your book:

Once the book is checked out to you, it will appear under “Loans” in your account. You have several options for reading your book on your mobile device. Note that all options are not available for every ebook.

OverDrive READ

This option allows you to read the book without downloading it. Tap “Read Now” to begin. The first time OverDrive READ opens, a tutorial will play. Click “Next” to see all of the steps.

Download to the OverDrive App

To download the book, tap “Choose a format, then “EPUB eBook.”

The book will appear on the bookshelf in the OverDrive app. Tap the cover to read it.

Transfer to the Kindle App

If you have the Amazon Kindle app installed on your device and you have an Amazon account, you can read your library ebooks using the Kindle app.

Tap the “Choose a format” button and select “Kindle Book.” Then click “Confirm & Download.”

After clicking “Confirm & Download,” you will be redirected to Amazon.com. You will complete the transfer process from here.

Click “Get library book.” If you are not already signed into your Amazon account, you will be prompted to sign in now. If you also own a Kindle, make sure your Android device is selected from the list. Click “Continue” if prompted. The book will be delivered wirelessly to your Kindle app the next time your device syncs.
