What is Wowbrary?

- Wowbrary is a free (to patrons) service that informs you by weekly e-mails about recently published books, DVDs, and CDs that we have added to our collection.
- It makes it easy for you to browse through the latest additions and place a hold on a new title. (*Remember... Bentley does **not** accept holds on movies! If you place such a hold it will be sent to other libraries in the Bibliomation system for possible fulfillment.*)
- You can browse by genre back through an entire year of lists.

How Do I Sign Up?

- Log on to **www.wowbrary.org**
- Enter your zip code, choose "Bentley Memorial Library," enter your e-mail address, and Submit. After clicking the Submit button you will receive an e-mail with a link you must activate. Your e-mail alerts will begin arriving on the next Wednesday.
- Wowbrary will not share your e-mail address with anyone else, and will only use it to send you weekly alerts.

Earn \$\$\$ for Bentley Memorial Library

- At no added cost you can help your library whenever you shop at Amazon.com, simply by accessing Amazon through a special link: **www.wowbrary.org/bolton**. A small commission will be paid to the library for each sale, helping to offset the subscription cost of Wowbrary.
