**October is Fire Prevention Month—Safety in the Kitchen**

In 1922, the National Fire Protection Association (NFPA) named the second week of October as Fire Prevention Week in commemoration of the Great Chicago Fire in 1871. The NFPA's 2020 campaign for Fire Safety Month is "Serve up Fire Safety in the Kitchen." During this month, fire departments provide education to their communities, and encourage parents and loved ones to practice fire safety and whole home safety.

Be ready at home by installing smoke and carbon monoxide alarms, as well as having fire extinguishers handy. And check out NFPA's [Public Education webpage](#) for cooking safety tip sheets, and coloring sheets and recipes for children.

The Bolton Fire Department is looking for volunteers. You can download an application here: <http://www.boltonfd.org/recruit.htm>.

**Today is National Voter Registration Day**

Please take a minute today to update your voter registration. Contact your [local election office](#) or use the tools at [Vote.org](http://Vote.org). Even if you have registered in the past, it's a good idea to double check. If your address or name has changed, you may need to update your registration. Voter registration deadlines vary by state, but in some places the deadline is as early as October 2. (Connecticut is October 27.)
