The State of Connecticut Program, and a matching local program, are available to residents of Bolton who:

- Have attained the age of 65 on or before December 31, 2019 or be totally disabled as defined by Social Security guidelines.
- Reside at the property for a minimum of 6 months plus one day. Only a primary residence is eligible for the program.

The programs allow a credit on the July tax bill.

Those persons who are already on the programs but are due to renew this year will be mailed reminders that they must refile.

BOLTON PUBLIC SCHOOLS - 2022 CHILD FIND AND PRESCHOOL SCREENING

Bolton Public Schools will be holding a screening for preschool children

Who can participate?

1. Do you have questions about your child's development? If so, you can bring your child to the screening. This is just a screening, not an evaluation. We screen for possible developmental delays and will determine whether your child is functioning within age appropriate limits or is in need of further evaluation.
2. Would you like your child to be considered as a peer model for the 2022-2023 preschool class? In order to be considered as a possible peer model your child will need to be screened. We are looking for 3 and 4 year olds who demonstrate age appropriate communication, social, play, and motor skills. Children must turn 3 years of age before the first day of school and must be Bolton residents.

How is the screening conducted?

The screening takes about 30 minutes. This year the screening will take place outside. While you complete a developmental history in your car, your child will play with members of the Preschool Team. Through play, the Preschool Team will be looking to gather information regarding your child's communication, social, play, and motor skills.

When and where does the screening take place?

Wednesday, April 27 (**rain date:** Thursday, April 28) on the Bolton Center School grounds (please park at the Senior Center and we will meet you there). Screening times are: 12:30-1:00, 1:15-1:45, and 2:00-2:30.

How can I sign my child up for this screening?

If you are interested in having your preschool child screened, please complete and return the [application](#) by **April 20, 2022**. (available on the district website: www.boltonpublicschools.com). We will get back to you with a time. Please email or mail your completed application to:
