The State of Connecticut Program, and a matching local program, are available to residents of Bolton who:

- Have attained the age of 65 on or before December 31, 2019 or be totally disabled as defined by Social Security guidelines.
- Reside at the property for a minimum of 6 months plus one day. Only a primary residence is eligible for the program.

### **NOW THAT SPRING HAS SPRUNG**

**CELEBRATE THE NINTH ANNUAL VERNAL POOLS DAY IN BOLTON  
SATURDAY, MARCH 26, 2022**

The Join the Bolton Conservation Commission (BCC) on Saturday, March 26, to celebrate Vernal Pools Day 2022 on a hike to a very picturesque vernal pool hike in the Nathan Hale Greenway.

Joining the group this year will be special guest Ed Pawlak, a registered Soil Scientist, Certified Professional Wetland Scientist, and former President of the CT Connecticut Association of Wetland Scientists. Ed will search for and identify obligate species in the vernal pool adjacent to the Nathan Hale Greenway trail.

According to the Vernal Pool Association, Vernal pools are important inland wetlands or seasonal forest ponds that usually dry out at some point in the year. They are at their fullest level in the early spring as snow and ice melt. These temporary and sometimes small pocket wetlands have no inlet or outlet and therefore cannot sustain a fish population. They are a host to a wide variety of aquatic organisms that would not successfully reproduce when subjected to fish predation. These organisms with an aquatic stage in their life cycle are sometimes known as "obligate" vernal pool species. Obligate species such as spring peepers, yellow-spotted salamanders, blue-spotted salamanders, and wood frogs begin their spring migration in Mid-March and are now heading towards vernal pools in Bolton.

Participants should meet at 10:00 AM at the town parking area between Munson's and Bolton Collision Repair at the end of the dirt road. The one-mile round-trip hike is somewhat steep and sturdy footwear is recommended. No dogs, please. Heavy precipitation cancels. Trail conditions determine the route. Registration is required by emailing [TOBCC@aol.com](mailto:TOBCC@aol.com) with the name, address, and phone number of participants. For more information contact Rod Parlee, BCC Chair at Town Hall, 860-649-8066 extension 6110 and leave a message or e-mail [TOBCC@aol.com](mailto:TOBCC@aol.com)

---

#### **Who can participate?**

1. Do you have questions about your child's development? If so, you can bring your child to the screening. This is just a screening, not an evaluation.
