

SPECIAL BOLTON BULLETIN
December 29, 2021, Evening

UPDATE
COVID TEST KIT DISTRIBUTION

Per Governor Ned Lamont; the allotment of COVID tests to be delivered to the State of Connecticut has been **DELAYED** at this time. The State of Connecticut is currently monitoring the DELAY and will be in touch throughout the overnight hours to update cities and towns on when and if the plane will arrive with the said tests for distribution tomorrow.

The Town of Bolton will send out another bulletin as well as update the website in the morning with further updates as to the status of when the tests might be delivered to us and be available to the Town Residents.

Thank you for your patience and understanding.

Sincerely,

Pam Sawyer
First Selectman
