**RE: Bolton Lakes Area Sewer Project  
Grinder Pump Circuit Board Upgrade**

Dear Property Owner:

The Bolton Lakes Regional Water Pollution Control Authority (BLRWPCA) is upgrading the grinder pump circuit boards within your portion of the BLRWPCA sewer service district.

Water Resource Technologies is the subcontractor providing this service. They are located at 40 Hockanum Blvd, Vernon, CT 06066.

Work is currently on-going and is expected to continue for the next month (weather permitting).

The WRT service representative will identify themselves and then access the control panel mounted on the exterior of your building. The service representative is expected to complete the work within 30 minutes.

Any additional questions may be directed to the First Selectman's office (Tel. 860-649-8066 x 6112) located at the Bolton Town Hall.

Sincerely,

Joshua Gaston  
BLRWPCA Administrator
