Dear School Committee:

The Garfield Elementary School would like to formally request permission to dispose of old library books. Books that are capable of being donated will be made available to parents and students to augment home libraries. The remainder of the books are worn beyond practical use, have missing pages, deteriorated bindings, or have content that is so outdated, it would not be appropriate for further use.

Sincerely,

Percy Napier, PhD  
Principal

Dear School Committee Members,

The maintenance and transportation departments are asking for the removal and disposal of the 2010 Chrysler Town and Country Mini Van, with the VIN number of 2A4RR5D18AR421379. The current condition of the vehicle is unsafe to transport any child or adult within the system and would not pass an inspection. The under body/carriage of the vehicle is rusted through, which is causing the vehicle to not have breaks, power steering, etc. We are requesting your approval on the removal and disposal of this vehicle.

We would like to thank you for your time and approval of disposing of the vehicle.

Thank you,

Carl Svendsen  
Director of Facilities and Maintenance

Dr. Kelly,

I have worked closely with our technology over the summer to identify broken electronic items at the Lincoln School. The technology department has determined that none of these items are fixable or hold any value. Therefore, they would not be suitable for donation or sale. May I please have approval to dispose of these items?

Sincerely,

Sara Hoomis
