INFRASTRUCTURE TECHNOLOGY DEPARTMENT
(781) 485-8454

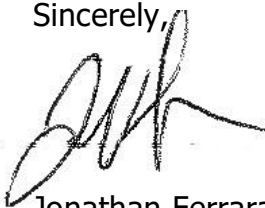

8/29/2023

Dear School Committee members,

We would like to formally request permission to discard old or broken RPS technology equipment. The majority of the hardware we are requesting to dispose of is in excess of 8 years old. The items are either no longer functioning, broken to the point where the cost of repair exceeds the cost of the device or so old that they no longer support current curriculum software or the newer operating systems adequately. The items are at a point in their life cycle that they would not be of use to other city departments or other municipalities and should be disposed of.

All systems will be stripped of any useable parts and will be recycled in a manner considered to be eco-friendly.

Sincerely,

Jonathan Ferrara
