## Motions

**15-235** Motion presented by Councillor Giannino: That the Mayor request the Police Department to look into the enforcement of Chapter 5.57 of the Revere Revised Ordinances, Commercial Burglar Alarms. Eleven years ago the city approved this ordinance to monitor commercial burglar alarms, but there has been no clear enforcement of the fines set forth in the ordinance. This is a public safety issue because many officers respond to commercial burglar alarms on daily basis to the same properties. This is a safety issue for both the officer responding and the public.

**15-236** Motion presented by Councillor Novoselsky: That the Mayor request the DPW to cut down the tree and remove the stump at 574 Beach Street on the Walnut Avenue side (second tree down from the corner of Beach Street).
