Item #9: Reminder –

The Commission on Disabilities due to Covid 19 and the safety of all residents is trying to limit in person appointments due to the unavailability and use at our present office location. Residents can speak to staff from our 311 Constituent Service Center Monday through Friday when you call our office at 781-286-8267. They will be able to answer most questions but if they are unable to or if you would like a call back from our office please ask to be transferred to the Disability offices voicemail and someone will get back to you as soon possible.

We are working on solidifying another temporary location for our office for necessary in-person appointments determined by the COD on Friday mornings. We will update this information when available on the City Web sites Disability page.

As always please let us know if you would like something discussed or brought up and added to our monthly meeting agenda. You can let us know if you would like to speak on any issue or concern. The Commission is here to help and assist all the disabled residents and families of Revere.
