

MassHire Metro North Pre-Apprenticeship Program in Facilities Maintenance or Construction Trades

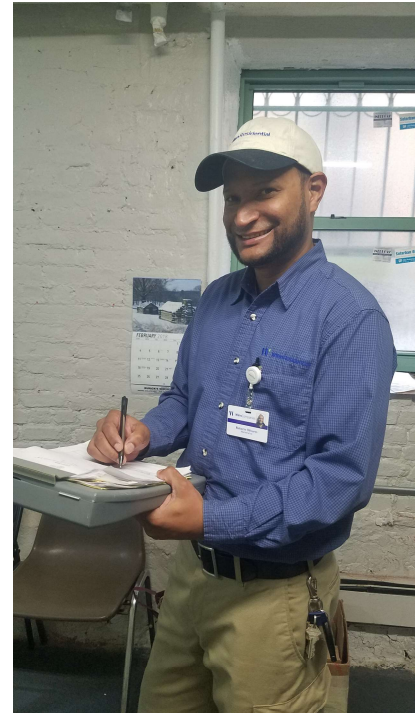

Are you interested in FREE
training for a career in Facilities
Maintenance or Construction
Trades?

RECRUITING NOW for first class starting February 2021

160-hour training program designed to prepare Metro North residents for registered apprenticeships in facilities maintenance or trade-related construction occupations. Training will include an introduction to facilities maintenance, construction, financial literacy, and job readiness.

Successful program graduates will receive assistance applying for an apprenticeship in their chosen pathway.

- Residents of the Metro North region who are unemployed or underemployed
- Must be 18 years or older
- Authorized to work in U.S.
- Driver's licensed preferred but not required
- Women & Minorities encouraged to apply
- Classes Monday-Thursday 4 pm to 8 pm
