

Job Title: Full Time Electrical Inspector
Department: Department of Municipal Inspections
Hours: 39 Hours per week
Salary: \$36.07 - \$37.97 per hour. This is a union position, with benefits.

THE CITY OF REVERE:

The City of Revere is a thriving, fast growing, and vibrant City. Revere has become one of the most desirable cities in the region to both live and work. The City of Revere envisions a municipality that fosters a more welcoming, nurturing, and inclusive government that invests in staff success and development. The City of Revere envisions a municipality that is governed for and by its people, by building and maintaining representation reflective of our community at all levels within the organization. Representation will encompass diversity in culture, thought, experiences, abilities, gender, sexual orientation, age, socio-economic status, veterans' status, etc. Due to its distinctiveness, the City of Revere is a wonderful place to work, with great benefits, salaries, incentives, and most importantly, the opportunity to serve its residents and grow professionally in the fascinating world of public service. Creating and sustaining a culture in City Hall to ensure that residents across the city feel the government is more responsive to their needs and concerns, is an entity that they can trust, and are accountable to all is critically necessary.

DESCRIPTION:

The Electrical Inspector performs inspections on existing and newly installed wiring systems of commercial & residential buildings, solar installations, and street wiring to ensure compliance with legal requirements, federal, state, and municipal codes, and safe practices. Also, investigates complaints of alleged violations.

ESSENTIAL FUNCTIONS:

The essential functions or duties listed below are intended as illustrations of the various types of work that may be performed. The omission of specific statements of duties does not exclude them from the position if the work is similar, related, or logically assigned to the position.

- Examines plans for residential, commercial, and industrial building construction or alteration and determines compliance with legal requirements, national, state, and municipal codes, and safe practices.
- Investigates complaints of alleged violations and takes appropriate action, including issuing cease and desist orders and/or filing criminal complaints in court; testifies, as necessary.
- Issues permits and maintains records of inspections.
- Attends weekly site plan review meetings and other meetings as requested.

- Responds to after-hours emergencies; examines causes of electrical fires at scene.
- Performs other related duties as required.
- Respond to on call assignments as needed.

SUPERVISION RECEIVED:

The Electrical Inspector serves under the administrative control and direction of the Director of Municipal Inspections & Building Commissioner in strict accordance with applicable provisions of the Massachusetts General Laws. Employee performs varied and responsible functions of a technical nature requiring considerable independent judgment in the application, interpretation, and enforcement of codes; refers unusual cases to the supervisor.

QUALIFICATIONS:

- Revere residency preferred.
- Must possess and maintain a valid Massachusetts Master Electricians License and a valid Massachusetts Driver’s License.
- High school graduate supplemented by related vocational training preferred.
- Minimum of five years of experience in the supervision of electrical systems installed for residential, commercial, and industrial construction; or any equivalent combination of education, training and experience which provides the required knowledge, skills, and abilities to perform the essential functions of the job.
- Must be a journeyman licensed electrician pursuant to M.G.L. C.166, sec.32.
- Revere Residency preferred.

KNOWLEDGE, ABILITY, AND SKILLS:

Knowledge:

- Thorough knowledge of the Massachusetts Electrical Code and other applicable laws, regulations, ordinances, and codes.
- Thorough knowledge of all types of electrical installations in residential, commercial, and industrial buildings.
- Thorough knowledge of field inspection practices.

Abilities:

- Ability to read and interpret blueprints, drawings, and plans.
- Able to physically access all areas and levels of construction sites.
- Ability to apply and enforce Massachusetts Electrical Code and other applicable laws, regulations, ordinances, and codes firmly, tactfully, and impartially.
- Ability to remain calm, always concentrate and perform all responsibilities in a competent manner.
- Ability to communicate effectively and efficiently both verbally and in writing.
- Ability to establish and maintain effective working relationships with City, state, and federal officials, as well as with the public.

Skills:

- Excellent customer service skills.
- Skilled in using computers and other office equipment.

WORK ENVIRONMENT

Administrative work is performed under typical office conditions; regular inspection work is conducted in the field with exposure to various weather conditions and the hazards associated with construction sites and electrical wiring. Frequent contact requiring discussion of complex technical matters with the public, City departments and boards, members of the building community, property owners and local/state/federal officials. Has access to department related confidential information, including personal information about citizen's property, which requires using appropriate judgment, discretion, and professional protocols. Errors in either technical application of recognized building procedures or in the interpretation of related data could result in damage to property, endanger public safety, and have financial and/or legal implications.

PHYSICAL DEMANDS:

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. This position requires frequent light to moderate physical effort while an employee is performing inspections. Employees must be able to access all areas and levels of a construction site and are frequently required to spend several hours walking or standing. While performing the duties of this position, the employee is regularly required to use hands to handle, feel or operate objects, tools, or controls and reach with hands and arms. Performance of the essential functions may also require employees to climb or balance; stoop, kneel, crouch, or crawl. Frequently required to lift and/or move up to 30 pounds. Vision at or correctable to normal ranges. Given the nature of the job, protective clothing and shoes should be always worn.

DISCLAIMERS:

1. The above statements are intended to describe the general nature and level of work being performed by people assigned to this classification. They are not to be construed as an exhaustive list of all responsibilities, duties, and skills required of the person so classified. All personnel may be required to perform duties outside of their normal responsibilities from time to time as needed.

2. The City of Revere is proud to be an Equal Opportunity Employer. We are committed to creating a diverse and inclusive environment. Therefore, qualified applicant will be considered regardless of their sex, race, age, religion, color, national origin, ancestry, physical or mental disability, genetic information, marital status, sexual orientation, gender identity, gender expression, military and veteran status, or another protected category.

Interested candidates are encouraged to submit their applications via the City's [Online Application Portal](#). Please submit a resume and cover letter with your application. If you have any questions, feel free to contact us at: <mailto:jobs@revere.org>
