

GREATER AUGUSTA UTILITY DISTRICT SYSTEM WIDE HYDRANT FLUSHING

The Greater Augusta Utility District will be flushing hydrants beginning on Monday, Sept. 25, 2023 and continuing for five (5) consecutive days through Friday, Sept. 29, 2023.

The flushing schedule is listed as below and on our website at www.gaud.ws:

Monday, Sept. 25, 2023 - 7:30 AM to 5:00 PM Townsend Road, Sand Hill area; Western Avenue from Meadow Road to Pelton Hill, Old Winthrop Road, Whitten Road, Granite Hill Estates, south end of Leighton Road.

Tuesday, Sept. 26, 2023 - 7:30 AM to 5:00 PM , Manchester, East Winthrop; Eastern Avenue from Hospital Street to Spring Road, Hospital Street from Eastern Avenue to Chelsea line, Mayfair area, Cony Road, and New England Road.

Wednesday, Sept. 27, 2023 - 5:00 AM to 3:00 PM , Western Avenue from Meadow Road to Pike Street, Ganneston Park, and Blaine Avenue; East side of the Kennebec River exclusive of the following areas: Riverside Drive north of O'Connor's, Mayfair area, Hospital Street, Eastern Avenue to Spring Road.

Thursday, Sept. 28, 2023 - 7:30 AM to 5:00 PM Riverside Drive from Route 3 to the Vassalboro town line, Civic Center Drive from Gaywalk Street to Bog Road, and Augusta Business Park.

Friday, Sept. 29, 2023 - 5:00 AM to 3:00 PM West side of the Kennebec River from Bond Brook Road to lower State Street and Sewall Street, including Leighton Road, Water Street, west side neighborhoods from Bridge Street to Western Avenue and east of Pike Street.

Flushing will likely result in rusty or off-colored water for a short period of time. Please avoid washing your clothes while the flushing activity is underway in your area. If your water does not clear by 9:00 AM the next day, please contact us at 622-3701 or email contact@gaud.ws.

Visit our website at www.gaud.ws to see a map of the flushing schedule.

Thank you for your patience in this matter.
