

WE'RE HAPPY TO ANNOUNCE **GOOD NEWS** FOR ALL WASTEWATER CUSTOMERS:
WE'RE PROPOSING TO LOWER YOUR RATES BY 25%!
IF APPROVED, YOU'LL SEE THE **NEW RATES** STARTING WITH YOUR OCTOBER, 2019 BILL.

As part of our ongoing monitoring of our costs, we've determined that our wastewater services are accounting for a shrinking portion of our total expenses, and passing the savings on to you, our customers.

The public is invited to a hearing on the new rates at 6 pm on Monday, May 20th at Augusta City Center, Council Chambers.

Greater Augusta
Utility District

Water | Wastewater | Stormwater
