

“We all know where  
to put used rags, towels  
and wipes...**right?**”

Greater Augusta  
Utility District

Water | Wastewater | Stormwater

**Always here.**

**Never there.**

## **PLEASE: NEVER FLUSH ANYTHING BUT TOILET PAPER!**

Flushing baby wipes or paper towels, make-up cloths or sanitary products, used rags or shop towels—anything that doesn't quickly dissolve—can clog sewer pipes and damage our pumps. And that can lead to expensive repairs that we all end up paying for. So remember, when in doubt, throw it out!
