2018 ANNUAL REPORT

United Way of the Tri-Valley Area 218 Fairbanks Rd., PO Box 126, Farmington, Maine 207.778.5048 info@uwtva.org

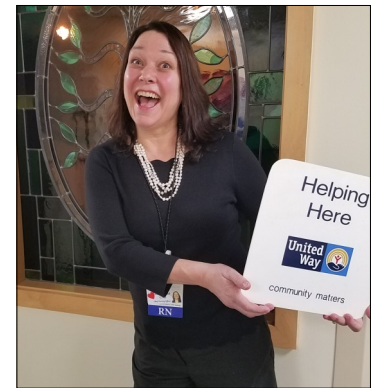

Welcome to the 2018 Annual Report. Each of you represents an important part of our community and each of you demonstrates what “Living United” means. All of you—donors, volunteers, and service providers made a significant difference this past year and I thank you.

Results, impact, outcomes:

Distribution of funds to our Community Partners which will be made throughout 2019 is \$110,000. This represents an increase of almost 16 percent over last year. We continued to support our community in many other ways as well, including the Greater Franklin Food Council, Community Energy Challenge, Packs for Progress, AmeriCorps Food for the Future, Leadership and Growth Through Service—Summer Experience for youth, and 211 to name but a few.

Volunteerism in our community remains strong. In 2018 volunteerism accounted for over \$248,000, or 37 percent of the total 2018 campaign. Volunteers can be found in virtually everything we do, and we are indeed blessed and

grateful for their contributions.

Rebecca Wood,
FCHN Workplace Campaign Chair

Shaun Riggs, owner of The Dugout, joins the Corporate Champion Circle

How:

We are able to achieve our results because of you, members of a community who care. Our community gives generously with their funds and time.

We continue to be appreciative of all of the workplace campaigns that provide such an important foundation of funding for the work of your United Way and services provided by our Community Partners. The solid, on-going support from employees who give through the workplace makes a HUGE

difference in our community. Once again, we are amazed by the employees of Verso's Androscoggin Mill, who support United Way and our community so generously.

UWTVA further diversified revenue and resources available for community needs through new programs like the Corporate Champion Circle (CCC). The CCC provides a

way for local businesses and organizations to contribute funds for United Way and receive recognition of those contributions. UWTVA events including the Color Me United 5K, Great Charity Auction, Teacher Totes, Community Change Challenge, Garden Party, and Caravan of Caring represent just some of the ways we are changing the way we generate funds, how we deploy resources, and how we engage our community.

I include a warm welcome to the Executive Committee—Shaun Riggs as incoming President, Becky Davis-Allen as Vice President, Chris Hollingsworth as Treasurer and Matt Fournier as Secretary.

Our success is the result of the work of all of the board of directors. Each member contributes time, expertise and perspective that enable us to do our job of leading and guiding the UWTVA as well as working with staff and volunteers to deliver many of the events and initiatives of your United Way.

- Peter Smith, UWTVA Board President

EXECUTIVE DIRECTOR'S REPORT

This Annual Report reflects on our fiscal year of 2018 (January 1—December 31, 2018) and is presented to the public at each Annual Meeting. At this time, however, we also take the opportunity to celebrate a campaign that straddles our fiscal years. At our Annual Meeting and Campaign Celebration, we have about 6 more weeks to reach our campaign goal of \$725,000 which is a combination of cash and grants, donated goods and services (in-kind support), and the value of volunteer service. Much can (and needs to) be accomplished prior to April 30, 2019! That said, the bulk of our campaign activity has been completed, and I share the following progress with you:

Erica Emery and Dave Allen of Rustic Roots Farm at the Farmington Farmers Market, which now distributes Maine Harvest Bucks to SNAP beneficiaries through a partnership with United Way

2018-2019 Campaign to date

Cash/Grants	\$375,312	At this point we are at 88% of the annual goal of \$725,000.
In-kind	\$56,408	
Volunteer	\$211,031	
TOTAL	\$642,751	

All of what we accomplish is due to people working together and a dedicated and creative, staff that is committed to the organization's mission and go above and beyond every day. I have the deepest appreciation for Kendra Baker and Nichole Ernest and ask that you join me in thanking them for their hard work. It also takes a strong and visionary board to lead a successful organization, and I am proud to work with such a board—16 amazing people who give of their time and expertise to make Greater Franklin County thrive.

TREASURER'S REPORT

Looking Back:

Our budget for FY 2018 called for a deficit of \$22,800 – fairly large by our standards. It included a \$10,000 increase over 2017 in Community Partner Investments, predicted lower revenue from Workplace Campaigns and Corporate Contributions, and hoped for the Special Events Income line to continue to increase. Our budgeting was correct as to those points. In fact, total Contributions (in our budget, this includes Workplace Campaigns, Corporate Contributions, Individual Contributions, Undesignated Grants, and Hope Fund Contributions) missed budget by over \$9,000.

Special Events Income was budgeted for \$45,250. The actual performance of that line: \$64,626.86! Thank you to our members and entire community for taking part in our expanding line-up of events. The changing economy has forced our agency to look elsewhere for revenue and the community (and staff) is stepping up!

I mentioned above the budgeted deficit for 2018. Through an eye to efficiency in the office, increased Special Events revenue, a strong Verso campaign, impressive Individual Contributions, an emerging eye to ROI analysis, and many other factors, at year's end our Revenue Above Expenses was (\$1,001.62), or \$21,878.38 better than budget.

Looking ahead:

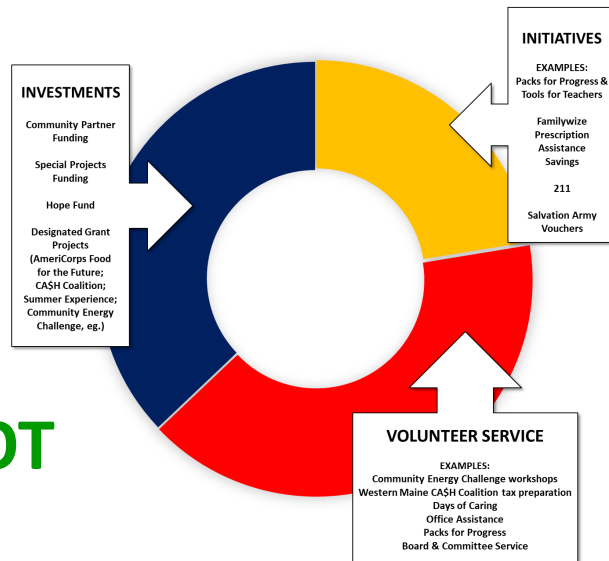

Although our Workplace Campaign line missed budget in 2018, we have increased our forecast for 2019 due to improvements in the Verso and FCHN campaigns, among others. Special Events growth has been rapid, and we are learning from experience to streamline and maximize those revenues. Our Corporate Champion Circle, new in 2018, has proven a great tool both for our income side, and for our corporate partners, and we expect further growth in that area.

Our budget for 2019 calls for nearly \$20,000 in increased revenue over last year's performance – a modest increase of 5%. It increases our Community Partner Investments from \$95,000 to \$110,000. And it is a Net Zero budget.

Things are trending well for UWTVA's finances. As we all know, prices get higher all the time and it takes more and more work to make a buck every year. A passionate Board of Directors and an amazing staff continues to stretch UWTVA's capacity to keep up with the times. We are proud to be able to increase Community Partner Investments in 2019. After all, that's what we're here for. Given our organizational strength and solid cash position, we expect to play an increasingly positive role in our community for many years to come.

- Shaun Riggs, UWTVA Treasurer

THE GARY A. LAGRANGE COMMUNITY IMPACT AWARD

Each year United Way seeks nominations from the community to recognize an individual, organization, business, or couple that has gone above and beyond to positively impact Greater Franklin County through volunteer efforts. Nominations are carefully reviewed by the United Way Board and then scored. This year, we are pleased to honor the remarkable Shannon Smith from Wilton.

The 2019 HONOREE

Shannon Smith

Shannon is a ball of fire, always finding ways to help with the community. This includes the FMH Auxiliary, Buttons for Babes, Franklin County Chamber of Commerce and the Emblem Club. She is perhaps best known for spearheading the Wilton Blueberry Festival which has grown to be a premiere event in Western Maine drawing thousands each August. She consistently shows great leadership but excels at getting others involved. Western Maine would be a very different place without Shannon Smith.

NOMINEES

To be nominated for this award is a great honor. We would like to recognize those whose names were submitted for consideration and thank them for all they do. Congratulations.

Robyn Raymond: Robyn is actively involved in the community. She helped start SWARM (Strong Women Advocating for Rural Maine), she joined Rotary and Literacy Volunteers, and can be found driving students to classes and bringing them to food closets and even helps them move to homeless shelters if needed.

John Blancato: John has a strong desire to prevent hunger. In addition to the community garden, in the Spring of 2018 he dedicated time to gardening for clients in the community.

Alpha Phi Omega: This co-ed fraternity has dedicated 2,936 volunteer hours in the past year with a focus on our children.

Glenn Kapiloff: Glenn has been a part of the community for 33 years, helping inspire students at Foster Tech where he was director, and later inspiring adults find employment and training opportunities through Franklin County Adult Education where he was director. Glenn is very involved in Rotary and served as Farmington Rotary's president.

Ken Charles: Ken has been a part of the community for 16 years but goes beyond his job by working and caring for the children in the community. He assists children who have had traumatic experiences through his volunteer service with the Children's Advocacy Center.

Janet Kennedy: Janet has helped others in need financially, and emotionally. She offers help through her business without any pay. Janet most recently is visiting an elderly woman weekly to give her company.

Angela McLeod: Angela is very dedicated as a full-time worker and mother and has put thousands of hours into making sure the community was able to have the Western Maine Play Museum in our region.

David Saphier: David provides medical care to approximately 25% of Franklin County veterans and shows dedication to his work. He recently helped make a Christmas very special for a family of 5 who lost everything days before Christmas.
