

Franklin Memorial Hospital employees generously support United Way's Packs for Progress program.

Care and Comfort employees' help United Way and are comfortable in the process! They donate to wear jeans on certain days.

United Way and New Ventures Maine partner to offer free tax preparation to low and moderate income families. Volunteers help filers earn, keep, and grow their hard earned money.

# CORPORATE CHAMPION CIRCLE

The Corporate Champion Circle was established by United Way of the Tri-Valley Area to leverage contributions that can positively impact the community and, in turn, provide marketing opportunities for businesses that partner with United Way.

CCC members join for a year at a time at one of three giving levels (Silver, \$1,500; Gold \$3,000; or Platinum \$5,000.)

We appreciate the support of our current CCC members. Ask one today about their experience and you, too, will want to join!

UMF student Ella Russell raised funds to purchase hygiene products and warm winter clothing.

Hope Fund recipients appreciate the support of UWTVA.

The annual Color ME United 5K draws people from all over the state for a colorfully good time.

### What does United Way do?

United Way raises money and provides resources for local organizations who make sure that everyone has access to the building blocks they need to live safe, healthy and productive lives.

### Why?

Many people are striving to improve their quality of life; some struggle every day to meet basic needs. United Way works with organizations who serve those people to ensure that no one falls through the cracks. When we all work together we build a strong and healthy community.

### How?

United Way is a hub. It seeks funds, resources and volunteers to support organizations and coordinate initiatives. It also helps connect families, seniors, those with disabilities, and those who are financially insecure to services. All funding decisions are made by community members.

### Who?

We serve the 40,000 residents of the Tri-Valley area: Franklin County, Livermore and Livermore Falls.

### What else does United Way do?

We support programs such as:

- Western Maine CA\$H free tax prep program — to help people save and grow their money
- Community Energy Challenge — to provide window panels that save energy and money
- Packs for Progress and Tools for Teachers — to provide school supplies for students and teachers

We connect people to resources through:

- 211 — a 24/7 help line to help people solve problems
- SingleCare — for savings on prescription medications

## 2020 IMPACT REPORT

LIVE UNITED®

United Way  
of the Tri-Valley Area

Community Care cards were distributed to frontline workers throughout the pandemic.

Volunteers making a splash at the annual Color ME United 5K.

For almost 40 years the people of Franklin County, Livermore and Livermore Falls have counted on United Way of the Tri-Valley Area.

We provide tools, resources, and funding to local organizations that work to make sure that every community member has enough to eat; a safe and warm place to live; access to education, health care, and economic security. These are the building blocks to create a bright future.

Community Impact Award recipient Erica Emery.
