Number of individuals served with United Way support.

CORPORATE CHAMPION CIRCLE

Platinum

Gold

Silver

CORPORATE CHAMPION CIRCLE

The Corporate Champion Circle was established by United Way of the Tri-Valley Area to leverage contributions that can positively impact the community and, in turn, provide marketing opportunities for businesses that partner with United Way.

CCC members join for a year at a time at one of three giving levels (Silver, \$1,500; Gold \$3,000; or Platinum \$5,000.)

We appreciate the support of our current CCC members. Ask one today about their experience and you, too, will want to join!

Dana Bullen and Leiza Hiltz-Scerbo appreciate United Way's support of the Care and Share Food Closet.

A Hope Fund recipient enjoys her summer camp experience.

The annual Color ME United 5K draws people from all over the state.

What does United Way do?

United Way raises money and provides resources for local organizations who make sure that everyone has access to the building blocks they need to live safe, healthy and productive lives.

Why?

Many people are striving to improve their quality of life; some struggle every day to meet basic needs. United Way works with organizations who serve those people to ensure that no one falls through the cracks. When we all work together we build a strong and healthy community.

How?

United Way is a hub. It seeks funds, resources and volunteers to support organizations and coordinate initiatives. It also helps connect families, seniors, those with disabilities, and those who are financially insecure to services. All funding decisions are made by community members.

Who?

We serve the 40,000 residents of the Tri-Valley area: Franklin County, Livermore and Livermore Falls.

What else does United Way do?

We support programs such as:

- Western Maine CASH free tax prep program — to help people save and grow their money
- Community Energy Challenge — to provide window panels that save energy and money
- Packs for Progress and Tools for Teachers — to provide school supplies for students and teachers

We connect people to resources through:

- 211 — a 24/7 help line to help people solve problems
- FamilyWize — for savings on prescription medications

2019 IMPACT REPORT

LIVE UNITED®

United Way
of the Tri-Valley Area

For almost 40 years the people of Franklin County, Livermore and Livermore Falls have counted on United Way of the Tri-Valley Area.

We provide tools, resources, and funding to local organizations that work to make sure that every community member has enough to eat; a safe and warm place to live; access to education, health care, and economic security. These are the building blocks to create a bright future.
