United Way of the Tri-Valley Area position opposing all forms of racism

United Way of the Tri-Valley Area recognizes that racial and ethnic discrimination have contributed to significant disparities. We are working hard to address these disparities and firmly denounce racial and ethnic discrimination because it undermines the well-being and vitality of our communities.

Our organization strives to engage community members, especially those whose voices have traditionally been marginalized. We collaborate with community members and public and private partners to create solutions that ensure everyone has the resources, supports, opportunities and networks they need to thrive.

We commit to leveraging our strengths and assets to create more equitable communities.
