The UWTVA Community Fund:
Contributions to the Community Fund are flexible funds that are spread throughout our service area where the need is greatest. Community members make funding decisions based on a thorough process. Funds support local programs coordinated by organizations in our community known as Community Partners — like Meals on Wheels, Western Maine Homeless Outreach and Sexual Assault Prevention and Response Services.

The Hope Fund:
Provides assistance for unmet needs of children, removing barriers to enable low-income children to engage in a wide variety of experiences/opportunities such as after-school programs, camps, athletic team participation, etc.

The Very Basics Fund:
United Way provides targeted funding to organizations that provide food, fuel or shelter. You pick!

Special Initiatives:

Packs for Progress/Tools for Teachers
Through Packs for Progress, school supplies and backpacks are collected for students who otherwise may not be able to afford them. Totes of school supplies and other needed items identified by teachers (such as underwear and cleaning wipes) are delivered to 17 area schools through Tools for Teachers.

Western Maine CA$H Coalition
IRS-certified volunteer tax preparers help save tax preparation fees and connect filers to resources to help them earn, keep and grow their hard earned money.

Community Energy Challenge
The Community Energy Challenge is a volunteer-led interior window panel project that saves money and energy costs and keeps people warm. Thousands of custom-made window panels have been made since 2009.
