Go-Forth Pest Control Chosen as a Finalist For The 2021 Better Business Bureau “Torch Awards for Ethics”

Greensboro, NC: Go-Forth Pest Control has been chosen as a finalist for the 2021 Better Business Bureau “Torch Awards for Ethics”. The Torch Awards for Ethics is the most prestigious honor Better Business Bureau can present to a business.

Better Business Bureau congratulated two Winston-Salem businesses for winning the 2021 Torch Awards for Ethics: IFB Solutions & Frank Myers Auto Maxx.

As a recipient, this indicates the business not only believes in the high standards of honesty, integrity and transparency promoted by Better Business Bureau, but also consistently acts on these standards and continuously integrates them into its daily practices. A three-judge panel evaluated all finalists on four criterias to determine which ones best exemplify trust in the community. The criteria are as follows, Character, Culture, Customers and Community.

“I am both honored and encouraged that our company was named a finalist for the BBB’s ethics award,” said Chase Hazelwood, owner and CEO of Greensboro-based Go-Forth Pest Control. “Our leadership team works hard to promote and consistently improve our procedures, practices and culture, focusing very much on ethics - so it is reassuring that these efforts are noticed by the BBB. I would also like to congratulate the two winning businesses from Winston-Salem; IFB

Solutions & Frank Myers Auto Maxx. These are two businesses I highly respect," says Hazelwood.
