2019 Snapshot

His Hands Support Ministries sent a team of two the first week in September to meet with students from three programs—Colegio Moriah, Con Cristo and Los Brujanos. Local college students (many who graduated from Colegio Moriah) joined the HH team to help with translating, pictures and student updates.

Over 5 days, we updated the student information of just over 500 students. One major change was we did not collect any measurements (except shoe size). This allowed us to see more students and spend more time with the students.

each of the school programs. At Colegio Moriah, there were two additional classrooms that were added over the summer. Los Brujanos added a small "overflow" classroom to help with their large class of 4 year olds. We saw the most change at Con Cristo with their new school of about 45 students. small school in the lower level of the church. I was saddened not to see some students who had been in the Con Cristo program for several years. However, I was so encouraged by all the new students. The creation of this school is an answered prayer.

Prayer Requests:

- * Pray for the students and their families
- * Pray for the teachers and school staff
- * Pray for Pastor Salvador, Pastor Felix, Pastor Luis and Pastor Tanis along with their families
- * Pray on how God is leading you to help support students in Dominican Republic through Give, Pray and Go.
