

His Hands for Kenya Trip Newsletter

October, 2019

What a joyous visit! The widows greeted us enthusiastically and with praising for what God has done for them! The gift of a well through generous donors for Pamela and her community was celebrated. Pamela is handicapped due to her epilepsy and multiple injuries. She's not been able to safely get water for years. Now the well is in and she praises God for this gift. She feels loved!

Our 2019 team with our partner in Kenya. Wanda Meisner, Pastor Evelyn and Shelly Zoebisch, (Kenya Coordinator)

Shelly and Raphael, our Kenyan translator, videographer, dear friend and His Hands volunteer.

"We can eat today! Thank you Jesus!" The widows were so very grateful to the many who donated funds for the team to be able to take a gift of food to each one as we visited with them. Included in the food was rice, oil, soap, beans, and corn meal. Can you imagine not knowing where your next meal would come from or even going days without food? Thanks to the generosity of our sponsors as well as many who donated for the trip, we were blessed to be able to deliver a bag of groceries to each home. We want all thanks to go to God!

The His Hands for Kenya program is making a difference:

From Raphael: "His Hands Support Ministries! What comes to my mind each time I hear this name being mentioned are the acts of Love, Care, Sacrifice, Passion, Faithfulness. And the list goes on. The Ministry is doing great work in Kenya. I personally have seen my Life change because of the relationship I built around them. They taught me a lot when it comes to Love and Sacrifice. I have seen Orphans go to school because of the Sponsorship program. Not forgetting this widows around Siaya and Kisumu, a lot of the Widows have benefited from the Program, the Likes of Pamela Owaka. God is so faithful! I thank everyone who has been doing everything they can for this People to be happy. To God be All the glory!!! (Photo - Raphael and child being photographed)

Words from Everlyn about His Hands for Kenya.....

Your visit to the widows and needy children was pure demonstration of God's love that left a smile and hope in the life of many . During your visit we had widows who were sick but the help that you offered changed their health. One had eye surgery while two had medication for malaria and their houses cleaned of bedbugs. The Widows and the needy children praise God for such great love the organization of His Hands Support Ministries is doing in Siaya, Kenya and praying that God will bless ALL that give their money and the care they give them. A few widows I talked to said that since they started getting food supplies, the many diseases they had are no more and they are stronger. They wished all of you a merry Christmas full of God's provision. Glory be the Most High God!!

URGENT NEED: Many of the widows live in dire circumstances, such as having homes which get flooded every time it rains. The roofs are holey, the floors are made of cow dung and cause jiggers (a skin condition), walls and ceilings are collapsing. Most have no access to electricity or water nearby. We'd like to send a team to Kenya to help with the need of cement floors and walls. If you'd like to help, please contact Shelly as shelly@hishandsforkenya.org . Financial help or going on a work team would be welcome and such a blessing to these women!

Just a Reminder

Donations for sponsorship are due the first of each month. You may send your donations monthly, quarterly, annually. We wire the funds to Kenya three times each year (every four months). If you'd like to donate for birthday or Christmas gifts, please send the funds for that many months in advance to provide for wiring time and distribution on the Kenyan side. Thank you to each sponsor for giving generously to the widows and children in Kenya!

Religion that is pure and undefiled before God, the Father, is this: to visit orphans and widows in their affliction, and to keep oneself unstained from the world. James 1:27
