

## Bed Bug Preparation Checklist 90-Day Warranty

**Your part in the treatment program is equally important to the success of the treatment:** If any of the items below are not completed the treatment for bed bugs cannot be initiated.

<b>Please check off each item as completed and initial to the right.</b>	Customer	Tech
<input type="checkbox"/> All items which can be heat treated in a dryer on 130 degrees for 20 minutes, or dry cleaned have been so treated and placed in clean plastic bags and sealed to prevent bed bug entry.		
<input type="checkbox"/> All beds have bed clothes and linens removed in preparation for the spray treatment.		
<input type="checkbox"/> All items which can NOT be heat treated in a dryer on 130 degrees for 20 minutes, dry cleaned, or sprayed during the bed bug treatment program, have been placed into bags. Store bags in a non-sleeping area.		
<input type="checkbox"/> All items in drawers have been removed and either heat treated in a dryer on 130 degrees for 20 minutes, discarded, or placed in trash bags. Store bags in a non-sleeping area.		
<input type="checkbox"/> All furniture has been emptied of items and moved at least 3 feet away from the wall to facilitate the spraying of these furniture items and the baseboard behind this furniture.		
<input type="checkbox"/> All wall hangings which can be sprayed have been taken off the walls in preparation for spraying.		
<input type="checkbox"/> Accommodations for any pets have been made so they can be out of the house for four (4) hours after the dwelling has been sprayed.		
<input type="checkbox"/> All fish bowl(s) have been covered and the aeration system turned off.		

These preparation guidelines must be met entirely for treatment to be performed. If these guidelines are not met or Capitol Pest is not notified, at least 24 hours prior to the scheduled treatment time, to reschedule the treatment appointment, there will be a \$100.00 rescheduling fee charged. Additional beds above the number of bedrooms will be treated for an additional charge of \$100.00 per bed.
