# POST EVENT REPORT

---

\* Indicates required field

## YOUR EVENT

EVENT SITE & DATE \*

Please list the site and date of your LMTM event. (If you hosted multiple work days at one site, please list all the dates. If you hosted multiple days at different sites, please submit a post-event report form for each separate event, so the data can be tallied appropriately.)

## VOLUNTEERS

NUMBER OF VOLUNTEERS \*

Total number of volunteers (including unpaid interns) that participated in work day(s) at any one site.

VOLUNTEER HOURS \*

Total hours worked by volunteers at site.

NEW VOLUNTEERS? \*

Did any new volunteers come to the work days who have not previously been involved with your organization?

NUMBER OF NEW VOLUNTEERS

If yes to the above, how many?

## PAID STAFF & INTERNS

NUMBER OF PAID STAFF, INTERNS \*

Total Number of paid staff, interns, or contractors at work day(s).

## ACCOMPLISHMENTS & WORK COMPLETED

SATISFIED WITH ACCOMPLISHMENTS? \*

Did you accomplish what you set out to do?

(OTHER):

If you selected 'Other' above, what else did or do you need to complete your project?

FEET/MILES OF TRAIL IMPROVED

Please list the number of linear feet or miles (please specify which) of existing trail improved, if applicable.

FEET/MILES OF NEW TRAIL

Please list the number of linear feet or miles (please specify which) of new trail built, if applicable.

TYPES OF IMPROVEMENTS \*

- Drainage work/erosion control (eg: clearing and repairing water bars)
- Rocks set (eg: stone steps)
- Improving or replacing wooden structures (eg: fixing broken puncheon)
- Blowdown removal / brushing & lopping
- Corridor & boundary maintenance
- Invasive clean up
- Trash clean up
- Trail inspection by Trail Adopter
- Wayfinding (eg: painting blazes, replacing signage)
- Other

How did you improve the trail? (You may choose more than 1.)

(OTHER):

If you selected 'Other', what other trail work did you accomplish?

WHO WILL BENEFIT? \*

What type or types of people and users will benefit from the work you did? Examples might include people with mobility challenges, mountain bikers, hikers, people portaging boats, etc.

ADDITIONAL IMPROVEMENTS?

Did you improve something other than the trail, like a privy, kiosk, or parking area? If so, please briefly describe.

## EVENT SUMMARY

### HOW DID IT GO? \*

In 2 or 3 sentences, please summarize how the day went overall. This write-up may be shared as part of our communications around LMTM.

### IMPORTANCE OF TRAILS/STEWARDSHIP \*

Please tell us why trails and trail stewardship are important to your organization.

### NEW RELATIONSHIPS / PARTNERSHIPS

Our goal is to engage more Maine people in the care and enjoyment of trails & the outdoors. Please tell us how you were able to partner with or include new groups in your LMTM work day.

## ADDITIONAL FEEDBACK

Please share your ideas and feedback about how Love Maine Trails Month went, and suggestions on how we can improve and build upon it for next year. Did you feel supported and were you able to host the kind of day you had hoped? What other resources (eg: tools, training, funding, volunteers) or help would have made your event better? Please tell us what would make this work possible and we will try to address these needs now and in the future

### IDEAS & SUGGESTIONS \*
