

FIELD HOCKEY CAMP

DATES: July 12th to 16th

TIMES: 8:00am to 11:00am

LOCATION: Field Hockey Field at High School

FEE: \$50.00

PROGRAM INFORMATION:

The high school field hockey program will conduct a week-long clinic for grades K-9, skills ranging from beginners to advanced players.

This will be a great week to learn the game of field hockey or develop new and advanced skills for a deeper understanding of situational game play.

High school players and coaches will lead a week of fun, developmentally appropriate skills and games to develop a love of the game. We do have a limited supply of sticks/goggles available for new players to use. Players should have their own mouth guard, shin guards, and goggles, we have some sticks.
