Becca Booker and Katie Cavanaugh, both employees at Winthrop Grade School are excited to be bringing back PE camp! This camp is all about being active and having fun. We will have playful competition throughout the week with a championship Friday. We will supply each child with a bandana for them to use throughout the week to represent what team they are on.

We will play lots of different games each day and throughout the week. Anything from races to kickball to minute to win it competitions can all be expected! We will do outdoor games as weather permits on the field hockey field too. Apply sunscreen on your child before you drop them off each morning.

Please send your child with: water bottle, sneakers and a snack.
