Coach John Baehr, the boys high school Soccer coach and the members of the boys and girls high school soccer teams will lead this summer's camp

This will be a drills and skills camp with also some fun games and live scrimmaging. This is a great week of soccer to improve skills and learn about playing as a team. Using skills and drills to fine tune each camper's ability and having fun doing it, this camp will have multiple divisions to suite each age group and skill set. We will have some one-on-one goalkeeping work also for those who would like to tune their skill at goalkeeping.

In the camps fourth year we are hoping to get more excitement for soccer and have a great opportunity to prepare for the fall season.
