

Tennis & Basketball Courts

Many of you may have noticed that the Tennis and Basketball Courts are being upgraded. Over the course of this summer, we are doing a complete rebuild of the courts.

We are:

- Grinding up the pavement, and putting down a new surface,**
- Painting new tennis courts, basketball court and pickleball lines,**
- Installing new energy efficient LED lighting,**
- Trimming trees around the area**
- Installing all new fencing**

We ask for your patience as the project moves on, we hope it will be completed in early summer. We would ask that people stay off the area once we begin construction and grinding begins. Once payment and surface are put down we must stay off the new area for at least 2 days.
