December 3rd
January 7th
February 4th
March 4th
April 1st
May 6th
June 3rd

Watch for more info as they get closer.

Dear Cape Cod Families,

Welcome back to another RSU 9 school year! This year we have had to make many changes due to COVID 19 and we will likely making more as time goes on. Please bear with us!

It is very important to get Powerschool updated as soon possible. The BTS forms should be available in your powerschool portal now. Please go to <https://mbrsd.powerschool.com/public/> . If you are having trouble logging in please email powerschool@mtbluersd.org. You may also request hard copies from the office to fill out and send back, just call Mrs. Oliver at 778-3031.

Attached are our yearly back to school forms please send back to the office.

- **Permission to obtain:** This form is so we can communicate with your students Dr. We will still talk to you but this allows us to send and receive patient records.
- **Communication:** This form allows teachers permission to email you about your student.
- **Transportation Plan:** With COVID 19, this year's plans have changed and changed and changed. This form will only be in effect for this year and can be changed anytime through the office.
- **Publish Form:** Let us know if you choose to not have your child published or are ok with them being published this includes pictures on Facebook and/or the school web page.
- **Free and Reduced Lunch Form:** It is VERY IMPORTANT that you fill out and return this form whether you think your family will qualify or not. Even though the USDA has granted free meals through Dec. 31st, we still need to show the state of Maine the needs that exist in our community so we can secure the services our students need. Thank you!

The students are off to a great start with an unusual beginning of the school year! Thank you for entrusting us with your most precious resource.

Sincerely,
Lisa M. Sinclair
Principal CCHS
