

**PROFESSIONAL STAFF ASSIGNMENTS AND TRANSFERS**

Applications from within the system for any open position will be given first consideration. The right is reserved, however, to open the position to outside candidates if it will be in the best interest of the system. The following criteria shall be used:

- A. The contribution the staff member could make to students in new position;
- B. The staff member's qualifications compared to those of outside candidates, both for position to be vacated and for position to be filled;
- C. Whether the transfer would constitute an opportunity for professional growth; and,
- D. The desire of the staff member regarding assignment or transfer.
