

**PUBLIC USE OF EDUCATIONAL EQUIPMENT**

**Educational Equipment in Homes**

All equipment purchased for educational purposes (except laptops) shall remain at school unless:

- A. It is being used by a non-profit, civic based group; or,
- B. Written permission has been obtained from the Central Office.

The Central Office will be very reluctant to give written permission. The equipment is insured against loss by fire but only when it is in school. It is also insured against loss by power surge, etc., and repaired under a third policy. All policies address only school-base use.
