

**AGREEMENT TO PUBLISH STUDENT INFORMATION ON THE
Mt. Blue Regional School District and Individual School Web Sites**

Mt. Blue Regional School District and many schools within the district maintain web sites to provide general information about the school system as well as information about educational programs, extracurricular activities, school events, and student and staff achievements.

Maine law requires public schools to obtain written approval from parents/guardians prior to publishing personal information about students on the Internet. This form will authorize the district and individual schools to publish the following:

- A. Full names of students in connection with class rosters, honor rolls, awards received, and team/extracurricular activity participant lists.
- B. Group and/or individual photographs of students.
- C. Individual student or class work may be published on individual school web sites from time to time in accordance with established guidelines. Such work may include creative writing, research projects, art work, music, performances, and audiovisual presentations. All student work will include a copyright notice prohibiting the copying of such work without express written permission. Copies of the Board's Web Site Policy and Guidelines are available at the Superintendent's office, every school office, or on individual or district web sites.

Please complete and return the following agreement form to the school office. This agreement will remain in effect for the entire school year unless it is rescinded in writing. If the form is not returned, no information about your child will be published on the district or individual school web sites. If you have any questions, please contact your child's building administrator.
