

EARLY GRADUATION

Current Maine law allows a student to graduate as soon as he/she has completed all graduation requirements. A student who wishes to graduate before his/her four (4) years of attendance is attained should notify the principal in writing of his/her intention. Once a request has been received, the principal, parents/guardians, and student will meet to discuss the request. The decision reached by the group will be filed in the student's academic folder, with a copy forwarded to the Superintendent.
