

**SCHOOL ADMISSIONS**

The public school program in Mt. Blue Regional School District shall admit only those students who fall within the recognized age range and who meet statutory eligibility standards. Any citizen beyond the legal school age who wishes to participate in the regular school program shall be subject to the following guidelines:

- A. He or she shall complete an application which shall include a list of references and submit the application to the Superintendent of Schools;
- B. The Superintendent shall determine the cost of tuition through correspondence with the appropriate State agency;
- C. The Superintendent shall recommend to the Board of Directors either admittance or non-admittance with appropriate regulations and the tuition fee; and,
- D. The decision of the Board of Directors shall be final.
